Quad 55" LCD Package \$2,500 inc GST

This package includes four 55" LCD Screens (on 2m high stands) which are linked. A laptop is included to play back any PowerPoint presentations or movies which can be placed on a lectern or small table. Setup and Pack down labour is included.

Projector & Screen Package \$550 inc GST

This package includes a 2800 Lumen XGA Projector and a 6' Tripod Screen. Setup and Pack down labour is included. Client is to supply their own laptop.

Premium Corporate Sound System Package \$500 inc GST

For those presentations or events where the sound is critical, we recommend going with our Premium Corporate Sound System. It includes four high quality speakers, a mixing console to handle multiple inputs and a graphic equaliser to allow lapel microphones to work properly. For multiple sources an operator is highly recommended.

Dance Floor Sound & Lighting Package \$650 inc GST

This is a sound & lighting package that will have everyone up and dancing. You can plug a DJ or an iPod into the system and one wireless mic is included. Four colour changing LED lights complete the package and provide the atmosphere. The 2 mid/hi speakers and 2 subs provide sound that is high quality & full of impact!

Additions

Operator \$88 inc GST
